#### **LRB-3295 SUMMARY**

Introduced by Senator Luther Olsen, **LRB-3295** makes registration of a snowmobile a one-time event rather than a requirement every two years. Annual trail passes would need to be purchased and displayed.

**LRB-3295** also sets the cost of an annual trail pass at \$35.00, and essentially provides a credit of \$20.00 to snowmobile club and AWSC members who have, on average paid that same amount in annual dues. The cost of an annual trail pass for these AWSC and club members would be \$15.00.

This legislation is designed to generate revenue for the Snowmobile Program while providing an incentive for sled owners to become active members of local clubs.
