*While shopping at a food store, two nuns passed the liquor dept. One asked the other if she would like a beer. The second nun answered "Indeed it would be very nice to have one, but I feel uncomfortable about purchasing it.*

*The first nun replied she would handle that with no problem. She picked up a six-pack & took it to the cashier. The cashier had a surprised look, so the nun said "This is for washing our hair.*

*Without blinking an eye, the cashier reached under the counter & put a package of pretzel sticks in the bag with the beer. "The curlers are on me."*
