Hope everyone has their reservations in, with Kim, for the big party. This is to thank you for your help & efforts in making the 2009 races a success. Cocktails are at 6 p.m. Dinner, catered by Daniel's Catering, is at 7 p.m. & music & dancing at 8 p.m. There will be door prizes, awards given out & a special raffle. It's a good time!

The television set for early sign-up at the races will be given at the May general membership meeting.

**MOLE LAKE TRIP**

After watching the Carter trip melt away, it was nice to see fresh snow on Thursday before the Mole Lake trip February 27 thru March 1. We had received about 6 inches of new snow and the temps were in the teens, just what the Sno-Hawks ordered. The hotel accommodations were very good with a pool for swimming and a hot tub for relaxing and ample parking for trucks and trailers. The trail conditions were excellent with many different loops to ride. We had long standing members to first year members attend the trip. We had an optional poker ride set up for Saturday with 31 people participating. The poker ride had seven stops with the first being the hotel.

Most members stopped at the Country Inn in Pickerel for breakfast and then went in different directions. The other stops were in Hollister, Summit Lake, Pelican Lake and Crandon. The trip was uneventful since Roger was not present and Chuck had his grandson riding/sleeping with him and Mike L was home nursing some broken ribs, not caused by snowmobiling or drinking. Some of the other Sno-Hawk members stepped up to the plate to create new stories with a groomer blocking the trail and off-trail excursions and a few missed stops. One group did make all of the stops but got back to the hotel a little later than expected, sorry Holly. After all the cards were counted, Kevin D won the best hand. Sonya S won the worst hand.

Hope everyone had a great time and hope to see everyone back next year.

Brad
