### **AWSC News**

AWSC is encouraging club members to call 1-800-362-9473 to vote yes for the CAP/STEP Bill LRB-3295. The CAP/STEP program would start a trail fee for all users in the state of Wisconsin, but would give club members discounted trail passes. This would give the clubs more money to maintain the trails and build new trails

This next proposed bill sounds like it would promote safety, but near the end of the bill it has a sentence to

repeal the snowmobile safety class requirement for kids 12 to 16. This age group would only be required to take the on-line course provided by the DNR. This bill (AB439 intoxicated off-road vehicle law changes) should be voted down

### **Trails**

A trail is marked to "Road ,Track & Trail". John is still looking for some help in getting permission to reroute the trail off of National Ave.
