THIS IS AN IMPORTANT MEETING! RACES ARE JANUARY 29**

**THERE WILL BE SPECIAL RACE MEETING
TUESDAY JANUARY 24 AT 7:30 THE WEEK OF THE RACES**

Christmas Party

What a great Christmas Party we had! Record amount of people (Race Chairman Kendall said he hopes all those people sign up to help at the races). Everyone had a good time with the race track we rented for the party. I thank everyone who brought desserts, snacks & salads, also the people who helped me in the kitchen and the clean up crew. Special thanks to Roger S. who brought his truck to my house to pick up everything for the V.F.W. You had to be there to see how much there was—food, roasters, coffee pots, gifts, table decorations! We broke him in as the newest board member. Santa was great, as usual & the kids made some pretty cute crafts this year.

Membership

Welcome to the eight new memberships, Phil & Shelly, John, Kendall & Marcia, Paul & Elizabeth, Duane & Gemma, Mark & Shelly, Chris, Kevin.

There are still some members that we have not heard from.

Remember if your membership is not renewed you will not be eligible for the AWSC death benefit. Membership directories are available

Raffle Tickets

John has more tickets if you need them. Please bring in money and ticket stubs to the next meeting. It makes it a lot easier on John.

AWSC News

AWSC is encouraging club members to call 1-800-362-9473 to vote yes for the CAP/STEP Bill LRB-3295. The CAP/STEP program would start a trail fee for all users in the state of Wisconsin, but would give club members discounted trail passes. This would give the clubs more money to maintain the trails and build new trails

Races

Worker sign-up sheets will be at the meeting! Help is needed at the work party on Saturday starting at 8 a.m., at the races on Sunday and to clean up on Monday after the races. The race is our one big event of the year. It keeps our club functions going.

KENDALL is the Race Director. See him at the meetings if you have questions about any area of the race.

We're looking for an announcer. If you are interested, see Kendall or Brad.

Last year there were brownies, bars, cookies, etc. left from Saturday's lunch for the workers. The ones that were left were sold at the races. It went so well that they're asking if any members could bring some to be sold at the races. It would be a big help.

Trails

John U is looking for help from the membership, to work with him to get permission from landowners to get a trail to Road, Track & Trail. See John.
